Editorial Reviews

Book Description

Swaimec Simeon has brought together the powerful exhortational messages that constitute the first part of this book. The book is all the more appealing in that it brings together writings and testimonies of persons from many parts of the world. Simeon's contribution comes, of course, from Africa—Tanzania—as do the first two testimonies—from South Africa—and the last, from Ghana. Other testimonies come from people in England, Scotland, and the New World—the United States and Canada. It all goes to show that the Spirit of the Lord is moving throughout the World, and that wherever we are—even in the desert of Saudi Arabia!—our hearts can be refreshed by the overwhelming and transforming love and power of our God.

About the Author
